THANK YOU TARGET

Target has awarded the PTO a \$3,000 grant to continue our Target Our Families Reading! Program. The money will be used to purchase books, periodicals and prizes!

The school library will open once we move to our new school site. We were able to add books for 6th and 7th grade as well as some resources for teachers with the profit that our school earned from last year's Scholastic Book Fair. This year's book fair will be held in late November, details coming soon.

If you would like to Make a Difference at Imagine by volunteering 1-2 per week in the library, please let us know at: contactus@imagineschoolpto.com
