Teacher WISH List

Below is a list of items on the teacher's wish list. These are not mandatory supplies but the teachers would greatly appreciate any items from this list!!

Colored card stock Color copy paper Box of file folders Box of hanging folders
Laminate sheets Items for students to purchase at class store

**This is in reference to your classroom supply list for 2010-2011. As an alternative to running all over town, the PTO would like to offer parents an opportunity to purchase your child's classroom supplies, as a bundled package. We will buy in bulk ourselves (not a third party vendor) and pass on savings, the final price yet to be determined.

We will be accepting pre-orders online, at www.imagineschoolpto.com or by completing the lower half of this form, and returning it to the school, addressed to the PTO.

Pre-order now, as we will have limited number of packages available. The more parents choose to pre-order, the more savings we can offer. As a bonus, if you complete your order through the PTO, your family will receive two hours of volunteer time for 2011 school year. We'll contact you once we have determined the final price of the supplies to confirm your order.
Yes, I am interested in pre-ordering the above supplies from the PTO: Please contact me!
