Topics Discussed & Motions Approved

- **Thank you SWFWMD-** We have received a \$5,000 grant to help educate our students in the issues that affect water in Florida! The money will be used to fully fund a field trip for middle school and intermediate students and partially fund a field trip for our primary students. The money will also be used to purchase supplies for our science lab that the students will use to complete numerous and exciting water experiments!
- Imagine the Places You'll Go- idea to take pictures of students in their spirit shirts in new cities, new locations etc and post on the board in the hallway.
- Previously approved window clings were for inside clings. Decision to change to removable ones would cost more. \$490.00 for 1,000. A motion was made by Jennifer Butler, seconded by Lilly Hirsch and passed unanimously.
- 2011 Fundraiser will be rummage sale. Start dropping off donations to school.
- Expenditure for class projects for spring fling. Motion made to give \$25 per class made by Julie Ramsden, seconded by Charlotte Bethany and passed unanimously.
- Spring fling will have tables available for business to rent for \$40.
